## Welcome to Your New Home

At Park Place we have eleven purpose built, fully-furnished apartments providing a warm and homely community or independent living accommodation. Each apartment is furnished with a sofa, dining table, bedroom furniture and linen as well as all your white goods, crockery and cutlery.

We understand that moving into a new environment can be stressful - our team are here to answer your questions, support you and help you settle in. The team includes Senior and Recovery Support Workers on call 24hrs a day to assist you in managing your mental health and physical health needs.

Flat 66 is our communal flat where you can join other residents and support staff in activities or just pop in for a chat. Here you will also find Sam Haigh, Unit Manager, whose door is always open for your questions or support needs.

## Welcome to Your New Home

Park Place is a short walk away from the local shopping centre which includes a 24 hour Tesco Extra store. Directly outside there is a bus stop (bus number 50A) which provides easy access to the main bus station in Leeds and surrounding areas.

On arrival a more detailed list of local amenities will be available to you. If there is somewhere you would like to go that is not listed please ask a member of support staff who will be able to help you.

## **Your Care at Park Place**

Here at Park Place we are experienced in providing community-based health care which respects your individual needs and challenges. In short, we are here to support you in the decisions you make about your care. This includes:

- Arranging regular progress meetings with support staff and/or your key worker
- Offering drop in sessions where you can share concerns
- Providing access to 1-to-1 support when you need it
- Using the Recovery Star tool we will work with you to develop support plans and goals to suit you

## Your Care at Park Place

- Working with you on your personal weekly planner
- Introducing you to the area so you can get around easily
- Supporting you on appointments as needed
- Helping you feel safe and confident as you gain independence
